We are a small but very individual company, tailored to your personal needs.

This high standard prompts me to offer you exactly the transport concept that suits you.

Your ideas and wishes are crucial. I advise you individually and within your budget.

Personally, we have been working for several decades in the upscale segment of passenger transport.

Our long-standing contacts enable us to offer you a high-quality limousine and bus service throughout Germany.

A trusting cooperation as well as the offer of services and service are our top priorities.

We are your personal point of contact for all questions relating to first-class and exclusive passenger transport.

We have a professional network throughout Germany, with which we make many things possible for you.

We offer the following vehicle classes throughout Germany, from individual transportation to large events:

Mercedes Benz S-Class Limousine | Mercedes Benz V-Class Van | Mercedes Benz VIP-Sprinter | Mercedes Benz Conference-Sprinter

In the high-quality conference and business segment, we offer you a selection of mostly black unbranded buses.

Mercedes Benz - 12 seater conference sprinter with 4 tables and single leather seating

Mercedes Benz - 16-seater conference sprinter with 2 tables and leather seating

Mercedes Benz - 18-seater Business Sprinter with 1 table and leather seating

Setra Business Class - 35-seater with 3 tables and business leather seating

Setra Business Class - 38-seater with 4 tables and business seating

Setra Business Class - 44 to 57 seats with business seating

We offer you this special Germany-wide transport service for your:

(Business trip) (Customer ride) (Employee trip) (Private trip) (Round trip) (City trip) (Delegation trip) (Fair trip)

Contact us and let us advise you.
